About the conference

The Comparative Humanities and Applied Language Studies (CHALS) Lab is pleased to announce the 2023 edition of the Doctoral Students Conference. CHALS continues its efforts to create a national platform for all PhD students, whether at the start or towards the end of their PhD candidacy. Those who are at the early to midpoint stage of their candidacy and/or those who are at a later stage in their research will have an opportunity to present their PhD work to date to a group of senior researchers for feedback and advice.
